

Flight Instructor Open Forum - All pilots welcome

The FAASTeam Open Forum is an opportunity to collaborate with fellow CFIs, Examiners and pilots to promote the development of effective teaching strategies. Here is an opportunity to collaborate and develop best practices for instructors and their students, aircraft owners and renters. This dialogue will enhance the open exchange of information, promote the development of effective teaching strategies and identify conditions in which they will be effectively applied

Directions: The County Fire Department is located across from the airport. Turn right on Broad Street, the Fire Department is located on the right hand side, #4671 Broad Street.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
